PROFESSIONAL EXPERIENCE

Bank J. Safra Sarasin — Basel, CH
IT System Engineer — *Aug 2010 – Mar 2018*

I worked for almost 8 years for an international private bank to administrate and build around 400 windows and some linux servers. My work included following tasks:

- Managed multiple Microsoft Exchange Server Farms.
- Managed multiple Microsoft Servers, including Active Directory, File Services, DNS, SQL, etc.
- Managed complex automation tasks.
- Managed linux & Windows servers, clusters and virtualized environments.
- Used powershell/python to write complex scripts to monitor & administrating servers.
- Created web apps in a defined framework in order to manage servers and services.
- Involved in international rollouts.
- 3rd level support and incident management.
